This report will contain the following:

1. Vastu analysis of each room.
2. Improvement or remedies for each room.
3. Surrounding structures analysis/suggestion (road, mountain, water tank, tree, etc)

The vastu tools and principles used in this report are explained in the website '[www.ishwarakala.com](http://www.ishwarakala.com)' and relevant references are provided for educational purposes.

### 1) Scoring based on vastu principles for each room

As per the house layout provided the direction of each room is as follows:

Room Name	Current Direction	Score (1-to-4)	Recommendation
Hall	North East	4	Very good
Kitchen	South East	4	Very good
Master Bedroom	South West	4	Very good
Study Room	North West	4	Very good
Bathroom	West	4	Very good
Bathroom	East	2	Not ideal

NOTE: The high score of 4 means the purpose of the room is well served. The numbers only denote the following: 4 - Very good (Ideal), 3 - Good, 2 - Not ideal, 1 - Not recommended (avoid).

The overall score of the house based on the room direction is good . Moreover, the location of the balcony on the north side of the house brings new opportunities and blesses the owner with wealth and prosperity.

### 2) Room evaluation (Defects and improvement remedies)

- A. The hall in the north east is good for inviting people and

[REDACTED]

**Improvement:** The opening on the main door in clockwise direction would be more beneficial instead of anti-clockwise direction for ease of use and increase the good effects but the current condition is acceptable as well.

- B. The location of all the rooms, especially the kitchen signifies the element of fire and it is good for the current house. The dining space in the south area gives an opportunity to spend time with family members and better bonding between them.
- C. The master bedroom in the south-west corner of the house ensures the family is blessed with immense wealth and riches. [REDACTED]  
[REDACTED] decision making. The best direction to sleep is with your head towards the south.
- D. The study room located in the north-west corner of the house is a good place for setting up home office space or [REDACTED]  
[REDACTED] professionals or students. The room is also best situated for guests visiting the family.
- E. The bathroom on the west side of the house is just perfect. It is not touching the south-west or north-west corner walls and therefore there is no negative effect.

**Enhancement:** Ensure the closet in the bathroom is on the west or south wall [REDACTED]  
[REDACTED]

- F. The location of the main bathroom in the east direction is not a preferred location according to vastu but as it is not located on the corners (north-east or south-east) of the house it is still acceptable. As the bathroom on the east can drain the joy of everyday life but the overall score of the [REDACTED]  
[REDACTED] As the current house is part of a apartment, it is not recommended to alter or re-construct the rooms rather we recommended to follow the below remedies, as follows:

**Remedy:**

Option 1: Maintain the bathroom clean and tidy at all times. Ensure you keep some camphor or any organic fragrance to always [REDACTED]  
[REDACTED] north-east or east to further enhance the energy of this direction for the house.

Option 2: We recommend you give special additional attention to negate the negative effect by, consciously [REDACTED]  
[REDACTED] Also, remind yourself to cherish the everyday blessings to create a wonderful atmosphere at home.

The decor used for a house can influence the mind and emotions of the people who live in the house. Refer to the page on vastu decor in [www.ishwarakala.com](http://www.ishwarakala.com) to further enhance your space.

**3) Analysis of surrounding structures/elements of the house**

*'As you are, so is the world'..... Ramana Maharshi*

Large structures and elements of nature surrounding the house can influence the residents within its close proximity. The recommended location for the below structures are as follows:

- As per our discussion the location of the surrounding element mentioned is a mountain in the south which is [REDACTED] in the south-west (bathroom 2) or south (pooja room) direction to some extent.
- Water Tank: North [REDACTED]
- Septic Tank: West
- Lake: [REDACTED]
- Trees: South/West/north-west

The improvement or remedies provided in this report is a recommendation to enhance the energy of your house. The decision to use these recommendations and make improvement in your space is your personal choice. I hope this report helps you create a beautiful home for you and your family.
